

Welcome to **sweet treats** ebook

FOR FUN AND LAUGHTER - JUST ADD KIDS

Thank you for downloading this eBook from our website. Here you will find out more about Sweet Treats & what exciting and fun products we have to offer you – our highly valued customer. We believe in quality and service among others to be of utmost importance.

Sweet Treats started out in 2009 as there was a need for such a business to assist moms in having the inflatables delivered to their venue at absolutely no charge (Grahamstown clients only). From the reaction of the moms, and some dads as they are the ones that normally bag the inflatables at the end of a great day, it is a great success.

We would also like to take this opportunity to thank all our clients for their support over the last year. It has been a pleasure to serve and supply you for your festive occasions. We look forward to you welcoming us yet again to provide your fun-packed days and events with our fun inflatables.
